On license status

California's data for this license does not include a separate status field (Active/Expired/ Suspended). The expiration date above is shown as published — it is not a substitute for confirming current standing directly with CSLB, since a license can be renewed, suspended, or revoked independently of the date printed here.

Disciplinary Actions & Complaints

Not yet available for California

This directory has not yet loaded CSLB disciplinary or complaint data for California. The absence of flags here means this hasn't been checked yet — it is not a claim that this business has a clean record.

License data sourced from the California Contractors State License Board (CSLB) public C-46 Solar Contractor roster. This report reflects what CSLB had on file as of the retrieval date and is not a substitute for confirming a contractor's current status directly with CSLB before hiring.
