Complaint-level detail not yet available for California

License status above (Active/Suspended/flagged) comes directly from CSLB. This directory has not yet loaded CSLB's separate complaint- or case-level disciplinary detail (individual complaint numbers, dispositions). The absence of records here means that hasn't been checked yet — it is not a claim that this business has no history beyond what's shown above.

License data sourced from the California Contractors State License Board (CSLB) statewide License Master file (public Data Portal). This report reflects what CSLB had on file as of the retrieval date and is not a substitute for confirming a contractor's current status directly with CSLB before hiring.
